

Crown Theatre Backing Music

MUSIC TEACHERS PLEASE NOTE THE FOLLOWING

Music Tracks:

1. All backing music must be on thumb drives in MP3 or MP4 format.
2. Thumb drives must only have the music tracks your item will use. No lyrics are to be used.
3. If two songs are needed they must be in the correct sequence on the thumb drive.
4. Commercial tapes or CD's cannot be used, ie.: you cannot ask the sound technician to play track 14 of a CD you provide.
5. All thumb drives are to be supplied to your Concert Manager by the date they request. This can be up to 30 days prior to your concert. This is a Crown requirement and must be adhered to. In some cases your Concert Manager may provide a drop box for you to submit your backing music to.
